Thank you so much for choosing Boys & Girls Clubs of South Coast BC as one of the charity partners for your recycling program. We are so excited to partner with you on this initiative!

At Boys and Girls Clubs (BGC), we believe that every kid is amazing. And we know that by seeing and hearing them, they'll believe it, too! That is why, for over 75 years, BGC has been giving children and youth something they deserve: a place to belong when they aren't at home or at school. To kids, their Club feels like a place where they can hang out with their friends, and make new ones!

But it's so much more. It's a safe place that provides them with three of the things they need most: a sense of belonging, a sense of success, and positive relationships. That happens through a wide range of activities that are not only of interest to kids, but that are good for them, too: sports, homework, safe access to the on-line world, arts, crafts, and of course, sharing meals.

Annually, we serve 12,000 children, youth, and families — and ***no one is ever turned away due to an inability to pay.*** No one.

Thank you again for choosing BGC. We look forward to a long relationship with Green Inspiration BC!
